Read communications received from the Executive Engineer, the Assistant Co[mmi]ssioner, Shimoga Division, the Assistant Commissioner, Sagar Sub-Division, and the Amil[dar] Tirthahalli, furnishing information with reference to Secretary's docket No. 3304—L. B. 07-4, dated the 17th October 1907, anent the establishment of toll-gates at Badad[abyle] Benkipur, Sowlanga, Riponpet and Tirthahalli.

Resolved that in the opinion of the Board, it seems unnecessary to establish toll-ga[tes] the following places for reasons stated against them.

Benkipur.—The Shimoga Manganese Company have been rising the steam motar wa[gons] and they are not likely to cart manganese ore by means of common carts and therefore est[ab]lishing toll-gate here for loaded manganese carts appears unnecessary.

Sowlanga.—The Company whose manganese carts were plying through the Sowlanga ro[ad] has stopped work at the mines and therefore the establishment of a toll-gate here also is n[ot] desirable at least for the present.

Riponpet and Tirthahalli.—Till now no carts loaded with manganese ore have passed through these roads and therefore establishing toll-gates at these places is unnecessary.

As already resolved by the Board, a toll-gate may be established at Badadabyle and toll levied on all carts passing through this toll-gate. The amount of toll collections expected is sufficiently large to admit of the establishment of a toll-gate.
